

## Navigate through our galleries

We recommend for you to open a free account before you navigate through our galleries. With an account, you can temporarily save your favorite photo selection in your personal lightbox and return later to look at your selections to purchase or browse through.

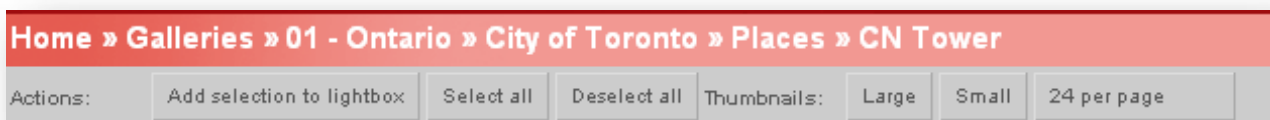

On [TorontoStockPhoto.com](http://TorontoStockPhoto.com) (TSP) click on the link "Galleries".

After selecting galleries, you will see all galleries available on TSP. As seen bellow, the galleries view can be set in different view styles depending on your preference. Our website is growing daily; we predict over ten thousand photos within the next several months. Share in our excitement and Click on any gallery to navigate through our photo sections.

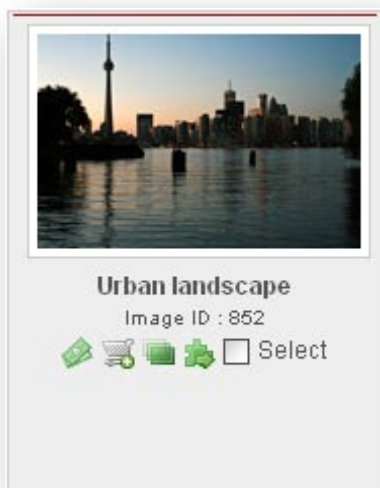

## Explanation of the option bar

- ❑ **Add selection to lightbox:** by placing a check mark in the selection box on any photo as seen bellow will add the selected photo to your lightbox for future viewing.
- ❑ **Select all:** by clicking on the select all button, will select all thumbnails, you will then have the ability to add all selected to your lightbox folder by clicking on 'Add selection to Lightbox'
- ❑ **Deselect all:** will deselect (undo selection photos)
- ❑ **Large:** view thumbnails in large view
- ❑ **Small:** view thumbnails in small view
- ❑ **12, 24... 100 per page:** select the number of pictures you want to see on a page.

## Explanation of all icons included on a thumbnail

 : View purchase options for image(s)

 : Add this image into your default lightbox

 : Display this image on your screen

 : Download low resolution of this image

**Select** : By checking this box, you will then have the ability to add all checked images to your lightbox folder by clicking on "Add selection to lightbox" (See above).

Information: [info@torontostockphoto.com](mailto:info@torontostockphoto.com)

By clicking on the image you will view the screen below:

The screenshot displays the 'Overview' tab for an image titled 'Downtown Montreal'. The details include: Date: Friday, January 11 2008; Image ID: 243; Size: 5300 x 3533px (50 Mb RGB); Licence: Rights managed; Restrictions: None; Location: Montreal, Quebec; Releases: Model: No - Property: No; Image Viewed: 2. Below the details are three action icons: a shopping cart, a checkmark, and an envelope. A 'Keywords' section lists various tags such as 'Outdoor', 'Summer', 'America', 'Building', 'Canada', 'City', 'Cityscape', 'Cultural', 'Culture', 'Destination', 'Discovery', 'District', 'Downtown', 'Exterior', 'French', 'Harbor', 'Landscape', 'Modern', 'Montreal', 'North', 'Ontario', 'Outside', 'Pleasure', 'Quebec', 'River', 'Speaking', 'St Laurent', 'Tourism', 'Transport', 'Travel', 'Water', and 'World'. A search bar is provided for the selected keywords. To the right of the interface is a large image of a harbor with several white yachts and three people in kayaks. A red watermark 'Toronto Stock Photo' is visible on the image. Below the image, the text 'Watermark will be removed upon purchase' is displayed.

You will view all information about the image; when the picture was taken, Image ID, total size of image, type of license, restrictions, location image was taken and if a model is in the image/property release is available.

You can perform or complete three actions:
